REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Northside Elementary School of the Arts is a Title I school serving 485 students in grades K-5th with 65 staff members. The goal of our school is to provide learning opportunities for all children to achieve academically and personally through collaboration with the community, parents, and staff. We began our school year celebrating the SC Creative Ticket state art award. Our community business partners include Northside Baptist Church, E S & Y Auto Repair, St. John's Methodist Church, Bethel United Methodist Church, Rogers Memorial ARP Church, Chick-fil-A, Manchester Theater, McDonald's, Target, Sagebrush, Family Trust Credit Union, Senior Owl Club with Parks and Recreation, American Martial Arts, O'Charley's, Chili's Restaurant, and Waterford Golf Club. Grants totaling over \$29,000 received this year supported additional resources for classrooms.

As a Red Carpet School and School of Promise, we continue to provide a positive relationship with home and community. All students participated in service learning projects such as \$1400 for Jump Rope for Heart, collection of aluminum tabs for American Diabetes, and canned goods for the Salvation Army. Junior Achievement classes were provided for first through fifth grade

The SIC and PTO collaborated throughout the year to provide interactive whiteboards for classrooms. Communication with parents continued through Conversations with the Principal talks during the year which focused on math instruction. An International Night highlighted the arts and learning of other countries around the world.

As an Arts in Basic Curriculum School, all classes are integrating the arts. The school was named a National School of Distinction by the Kennedy Performing Arts Center. Twenty five students represented the school at a performance on the Millennium Stage at the Kennedy Performing Arts Center in Washington, D.C. in March. For the sixth year, we received a \$20, 000 Distinguished Arts Program Grant. A full time certified drama teacher and dance teacher provided students with a full performing visual arts curriculum. The staff developed arts integration lessons. The artist in residence, StageWorks, provided creative writing instruction in all grade levels and for the staff. After school strings lessons were provided to 3rd through 5th grade students.

Design qualities were incorporated into lessons. Staff members designed pre and post tests in math to guide instruction. The family educator worked with parents and children. Literacy and math workshops were provided for parents.

Our focus this year will be building our professional learning community, arts integration, and math instruction.
